

# **ELECTRONIC LUNCH TICKETS**

To The Students of Seton LaSalle High School and Their Families:

Ever wish you could just pay for a month's worth of school lunches ahead of time so you didn't have to worry about forgetting to give your child money each day?

Well...your wish is about to come true. We are installing a state of the art computerized debit system. If all goes well, the system will be operational on August 31, 2010.

A detailed informational letter will be sent home within the next few days explaining everything you need to know about how the system works. It is a **VERY IMPORTANT** piece of information so be on the lookout for it.

Here are a few brief facts about how the system works...

1. You will be able to make advance payments into your very own debit account. You can pay as much in advance as you want to.
2. Every day when your child comes through the lunchline he/she will enter their own **unique** number code. The system will automatically deduct that days lunch from their total.
3. Once your account balance runs low, you will receive a letter notifying you about it.

THAT'S IT!!!

A FEW MORE DETAILS WILL BE IN THE LONGER NOTICE COMING HOME IN A FEW DAYS.

BE SURE YOU RECEIVE IT BECAUSE IT WILL CONTAIN **YOUR** PERSONAL 4-5 DIGIT IDENTIFICATION NUMBER

**EVERY** STUDENT WILL RECEIVE AND **MUST** USE HIS/HER NUMBER WHEN PURCHASING ITEMS FROM THE SCHOOL CAFETERIA.

Sincerely,  
DEBBIE ZANDONA
