Dear Parents,

Senate Bill 1 would bring further school choice to Pennsylvania. It would provide an opportunity scholarship for poor parents whose children are trapped in failing schools, and it would increase the Educational Improvement Tax Credit (EITC) program by \$25 million.

The two parts of Senate Bill 1 would help Catholic school parents stabilize and increase enrollment and be a just settlement with regard to providing all taxpayers some funding to educate their children.

Enclosed is a list of 25 Reasons to Support School Choice. You can present a copy of this to your state senator or cite a few of the reasons when you contact him or her.

In order to know how many of you did this important task, please return this form below to your principal.

Yours in faith, hope and charity,

Dr. Ronald T. Bowes
Assistant Superintendent for
Public Policy and Development
