

***St. Francis Academy Alumnae Association
Legacy Scholarship
Academic Year – 2012-2013***

St. Francis Academy, located on McRoberts Road between Hamilton and Grove Roads, educated thousands of South Hills girls from the early 1930's through 1991. Operated by the Sisters of St. Francis of the Providence of God, the school was closed in 1991 because of declining enrollment and lack of sufficient Sisters to teach. However, the many alumnae that received their high school education at that site have an active and progressive alumnae association that wishes to continue the Catholic School values that were taught and strengthened by the Sisters.

As a result of this desire, the St. Francis Academy Alumnae Association is pleased to continue its Scholarship program for a 4th year. This \$1,000 award is provided through the generosity of the SFA Alumnae of the former St. Francis Academy. It is a recurring scholarship for each academic year. It will be awarded to an incoming freshman who is sponsored by a graduate of St. Francis Academy.

The scholarship is designed to provide monetary assistance to a student who demonstrates academic achievement, service to church and community, and an admiration for the examples of St. Francis of Assisi.
