“A Place Where Everyone Belongs”

Message From the Principal

Dear Friends,

The seasons of the Church Year gain power through the effect of community. We, as the People of God, prepare for and celebrate Christ’s birth (Advent/Christmas). In Lent we seek to join with Christ in his journey toward his Passion, Death, and Resurrection (Easter). In Ordinary Time we listen to Christ as he shares the Good News of Salvation through the words and actions of his life on earth.

It is motivating to be with a group seeking the same goal. That is one of the reasons Weight Watchers and other self-help groups insist that clients attend weekly meetings with each other. When we share our goals, our dreams and our struggles with others and listen to theirs, we sometimes find the strength to persevere.

Last month I suggested that families try praying together on a regular basis if they don’t already do so. Eating meals together at home is another source of unity and strength that will reap untold benefits.

Another family practice, especially during Lent, may be to turn off the TV and spend time reading together. Older students could read or study. Parents could read silently or read aloud to younger children. Discussing what you are reading may be a good conversation starter at that family meal! Sharing family chores is another opportunity to work together. Try having your teenager help prepare some part of the meal. Younger children should be able to set the table, and everyone can pitch in to clear the table, do dishes, and so forth.

Here at school we are offering the students many opportunities for prayer, almsgiving, and service during Lent. On Thursdays Father Miller offers Mass in the Library at 7:15 AM for the convenience of the faculty and those students who can arrive a little earlier. I hear students discussing what they are doing or giving up for Lent. Let us pray that we all take advantages of the graces that God gives so abundantly so that Easter finds us more prepared to enter into the joy of the Resurrection.

In Fide et Caritate!

Sr. Patricia

Lenten Prayer

*Merciful God, You called us forth from
the dust of the earth;
Look upon us as we enter these forty
days bearing the mark of ashes,
Bless our journey through the desert of
Lent.
May our fasting be hunger for justice;
Our alms, a making of peace;
Our prayer, the chant of humble and
grateful hearts.
All that we do and pray is in the name
of Jesus who saved us on the cross. Amen*

Prayer Planning Committee

Students are working on Lenten prayer activities. They are currently planning a **Holy Week Prayer Service** to be held on Tuesday, April 7 at 8:40 AM.

The Prayer Planning Committee meets with Campus Minister, Mrs. Kathy Wray

In conjunction with the Art Department, students will be creating **Stations of the Cross**. They will be used outdoors along the Rebel Way and also displayed in an interactive version on our website. Weather permitting, our Outdoor Stations will be set up on Friday, March 27 and April 4. See our website for a map.

Rebels For Life Baby Bottle Drive

During Lent, Rebels For Life will hold a Baby Bottle Drive to support the Pregnancy Resource Center of the South Hills. Baby bottles can be picked up in the main office. Please fill them with loose change and return them to the office when they are full. All proceeds will benefit the pro-life work of the Center which provides free ultra-sounds to pregnant women, offers parenting classes, and distributes maternity clothes and baby items.

Lax Team Volunteers

On February 16, 2009, the Girls Lacrosse Team spent their President's Day holiday helping others. The team traveled to The Greater Pittsburgh Community Food Bank and worked in the warehouse, packing boxes of food and paper goods for distribution to those in need. It was nice to bond as a team while helping others.

Blessed is he who considers the poor!

Auction Planning Under Way

The 15th Annual Green & Gold Gala is set for November 7, 2009 at the Hilton Garden Inn at Southpointe. We are happy to announce that parents/alumni **Joe** and **Suzanne Aiello** are chairing this year's event. The first meeting of the volunteer planning committee is March 10, 2009 at 7:00 PM in the Brother's House (the building behind SLS). Please join us for this fun and very important committee meeting. Call Marilyn at 412-561-3583 x 119 for more information or just come to the meeting! We need you and welcome your input.

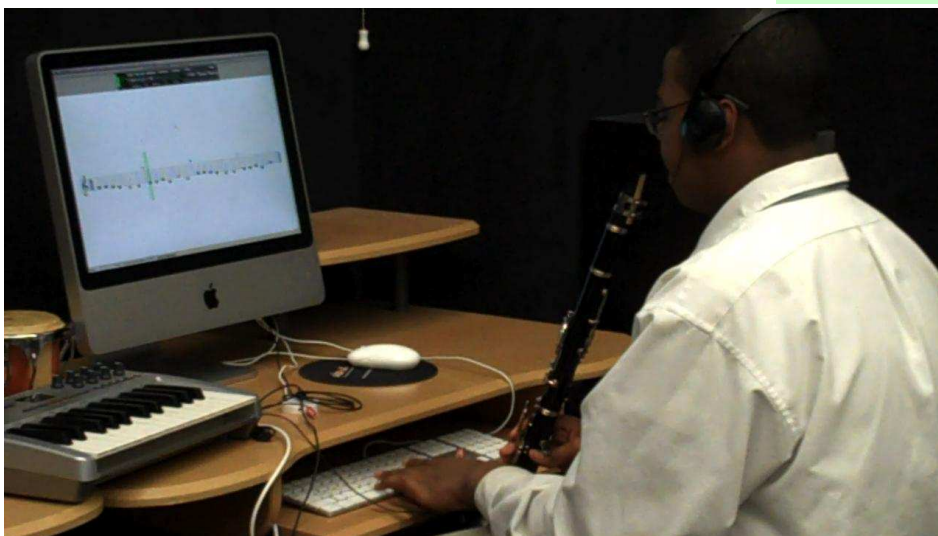

Your Auction Proceeds at Work

Thanks to the generosity of all those who supported the annual Auction, our Band Room has been outfitted with eleven new iMac computers. Each computer has a full complement of software including the iLife and iWork Suites, Final Cut Express and Logic Express. The iLife Suite contains programs for making movies, manipulating photos, authoring DVDs, and sequencing music. The iWork Suite is the Apple equivalent of Excel, Word, and Powerpoint. Students in our Music Technology and Video Arts classes love this state-of-the-art equipment! Thank you, Auction supporters, for supplying our students with the very best of technology!

19th Annual Rebel Golf Classic Will “Chip” at Recession

Instead of waiting around for the recession to end, SLS is taking a club to it! A golf club, that is. SLS will hold the “recession-busting edition” of the Rebel Golf Classic on Friday, May 15, 2009 at Chestnut Ridge Golf Resort & Spa.

We will offer stress-relieving mini-massages on the putting green, opportunities for a second day of golf or spa services at Chestnut Ridge's new spa, and early registration discounts. Plus, some alumni who are well-known in their field as financial professionals have agreed to be part of your foursome if you wish. Act fast, and you could golf with **Brian Dieckmann '95**, **Darren Savikas '92**, **Brien Wall '66**, or one of our other 'celebrity' alumni who work as financial professionals. The guest speaker for the evening will be local comedian and sports columnist Gene Collier. To receive an invitation or join our planning efforts, call Amy Ganser at 412-561-3583 x 136.

SLS Hosts Grade School Diocesan Honors Band Festival

On Feb. 27 and 28, 2009, the SLS Band hosted the South District Grade School Diocesan Honors Band Festival. The south district includes all of the elementary schools that SLS recruits from, and the festival afforded us the great opportunity to show these potential students our school. Seventy six of these outstanding band students rehearsed all day Saturday. On Sunday, our SLS band joined with the Serra and Canevin Bands to present a concert. The grade school performance followed.

SLS Students Enjoy Theatre Trip

On Feb. 15, 2009, over fifty students from Mr. Manear's and Mr. Murphy's Senior classes attended a Sunday matinee of *Metamorphoses* at the Pittsburgh Public Theater. The play dramatizes several Greco-Roman myths of "change" and featured a swimming pool built in the middle of the stage area.

Band to March in St. Patrick's Day Parade

The SLS Marching Band will make its annual appearance in the City of Pittsburgh's Saint Patrick's Day Parade on March 14, 2009. The parade starts at 10:00 AM and moves down Center Avenue, left on Grant and then right on to the Boulevard of the Allies. *Come out and cheer for our Rebel Band!*

Saturday Science Workshop Series

This Fall, **Pietra Bruni**, **Nicolina DiNardi**, **Amanda Lippert** and **Amy Piotrowski** participated in the Saturday Science Workshop Series sponsored by the Pennsylvania Junior Academy of Science in cooperation with Pitt, CMU and Duquesne. **Amy** was awarded a certificate for attending all four workshops, **Amanda** completed three workshops and **Petey** and **Nicolina** completed two. All benefited from this enrichment program.

Extracurricular Activities

Student Council Corner

In the month of March, Student Council will be planning and preparing several special events. On March 3, 2009, Student Council will Seniors to select the teacher who provided them with the best learning experience during the last four years. Students can select any teacher they believe has made an impact on their lives— an individual who has gone beyond just teaching. This vote will determine the winner of the *In Fide et Caritate Award*, which is given to the faculty member who best demonstrates excellence in the field of education. The award will be presented during Mass in April.

To celebrate March Madness, Student Council will be raffling off Dick's Sporting Goods gift cards. These **raffles** will be held during all lunch periods throughout the weeks of the basketball tournament.

A **Senior Dance** is being planned for April. Any senior who would like to contribute ideas or suggestions can see **Stephanie Mancine**, the event coordinator. Details pertaining to the dance will be posted in next month's newsletter.

The 2009 **Prom** will be held at the Omni William Penn on May 21, 2009. Details will be announced, and tickets will be sold during the month of April.

Student Council would like to extend warm wishes to the cast and crew of *Into the Woods*, particularly Student Council's own **Rosanna Patera, Matt Creehan, Mitch Cunningham** and **Mike Creehan**. *Break a leg!*

New Robotics Club

As part of the national effort to promote science, technology, engineering, and math (STEM) education, SLS has started a Robotics Club. We have purchased 2 VEX robot kits from RoboMatters,” an affiliate of the Carnegie Mellon Robotics Institute. Students have begun the mechanical assembly of the robot chassis and will soon add the electronic sensor systems. Members of the team are also learning “RobotC,” a C based programming language used to operate the robots. The club will participate in a “BotBall” (Robot Ball) competition in April. The goal is to build and program a robot to autonomously collect and relocate objects to specified areas on a game board. The successful relocation of the objects wins points for the team. *Good luck!*

Girl Scout Silver Award

The Girl Scout Silver Award requires leadership skills, self-improvement and a community project involving a minimum of 40 hours. Congratulations to **Alyssa Belsterling** who has earned this award. The goal of Alyssa's community project was to provide activities for hospitalized children. She made fabric bags and filled them with arts and crafts supplies. The bags were distributed to patients at Children's Hospital to give them something fun and creative to do during long hospitalizations.

Medallion Award Winners

On November 28, 2008, seniors **Amanda Lippert** and **Melanie Hooper** received the Saint Joan of Arc Medallion from Bishop David A. Zubik. The award was given to each girl in recognition of her volunteer service in excess of 200 hours.

 WPIAL Runners Up

Someone forgot to tell the Lady Rebels that they were too young to make it to the WPIAL championship game and that no AA team starting three Sophomores and two Juniors had ever gone so far in play-offs. They wouldn't have listened anyway. This group of intense, physical ladies, described by **Coach Bryan Bennett** as "fighters," demonstrated that youth was not an obstacle, but a motivation. With a combination of high-scoring offense and tenacious defense, they dominated their conference 12-0 and just got better and better as the season progressed. In their final 12 games, the Lady Rebels outscored opponents by an average of 57-38 and entered play-offs seeded #3. They played every game with heart, determination and team work as they fought their way to the Championship.

First Round: SLS 62, Avonworth 49

Katie Gattuso led the way with 24 points and 12 rebounds in a re-sounding 62-49 victory over Avonworth in the first round of WPIALS. **Jordan Dwyer** added 15 points and **Alexa Del Greco** had 11. By intermission, the Lady Rebels were leading 31-15. Avonworth never came closer than 8 points as the Rebels went 15 for 19 from the line and played stifling defense for the rest of the game.

**Quarterfinals: SLS 60
Riverside 49**

The Rebels took on Riverside (18-6) at Ambridge in the Quarterfinals. Once again, **Katie Gattuso** took control, leading the team with 21 points. **Nicole Gielarowski** contributed 12 markers and **Emily Marecic** and **Jordan Dwyer** both had 11. The Rebels seventh straight win was a total team effort, with the entire squad contributing.

Semifinals: SLS 48, S. Fayette 44

This game was a nail-biting, edge-of-your seat thriller! South Fayette came into the contest with as many wins as the Lady Rebels (20) and a reputation for a very stingy defense, allowing just 30.8 points per game. SF was, indeed, able to contain SLS' usually explosive offense for most of the game. In fact, by the 3rd period, the Rebels were down by 10 points and, though they rallied, were still down by 2 with only three seconds remaining in the game. Then came the game-saving heroics of **Alexa Del Greco** who hit a lay-up to tie the score at 43 and take the game into overtime. An energized Lady Rebels team outscored S. Fayette 5-1 in overtime, nailing the win, 48-44. **Katie Gattuso** scored 23 points and **Alexa** had 15, as the "never-say-die" attitude of the Rebels prevailed.

WPIAL Championship Runners Up

Although the Lady Rebels pulled within 6 points, they were unable to pull out a win against the #1 seeded and highly favored Sto-Rox team (24-1) in the Championship. They finished the season as WPIAL runners-up with an amazing 21-5 record. What a run!

2nd Round of Playoffs

For the third consecutive year, the Rebels posted a winning record and qualified for playoffs. They were particularly strong in the second half of the season, losing only to North Catholic, the eventual WPIAL Champion, and South Fayette, a Final Four team.

First Round: SLS 62, Shenango 48

On Feb. 2, 2009, the Rebels soundly defeated a well-regarded Shenango team by 14 points. **David Del Greco** led all scorers with 16. Seniors **Dave Patcher, Kevin Swisher, Derek Law, Matt Marasco** and **Bryan Malle** contributed mightily to the win. Junior, **Shawn Clark**, also played well with 13 points.

Second Round: Beaver Falls 65, SLS 59

On Feb. 18, 2009, the Rebels played #1 seed Beaver Falls at Ambridge High School. Although a decided underdog, the Rebels played with determination and toughness and kept it close the entire game. The lead went back and forth, even late in the fourth quarter. Although the Rebels could not pull off the upset, **Coach Hal Kestler** was pleased. *"To say the we played them tough would be an understatement; this was the best game we played against the best opponent on the biggest stage and with a couple breaks down the stretch, we could have won."* **Derek Law** led the Rebels in the loss with 24 markers and **Dave Del Greco** followed with 10 tallies.
