

HEY!

You're a senior and about to embark on one of the most exciting times of your life. M&M Photography offers 2 camera rooms with a wide variety of backgrounds and props. We also have an exclusive outdoor area that has been designed especially for you. With fences, stone steps, trees and seasonal flowers, there is no need to travel anywhere else! You can even bring your car, truck, or bike. Of course if you do want to travel to the field, the gym, the park, etc., we are always up for the adventure!

We know you look great posing for Instagram, but wait until you see what we can do for you with flattering lighting, posing, and other techniques that will make your best features pop.

It's all about our undivided attention to you. We'll hook you up with a private dressing room, play the music that energizes you, and even personally assist you in selecting the best images when it comes time to place your order.

We love seniors for their fresh, varied, and individual styles and tastes. Nothing is more fun than the challenge of capturing your personality in a session that is custom designed for you.

WHEN SHOULD I SCHEDULE MY SESSION?

You'll want to make sure your session is scheduled sooner rather than later. In a few short months you will be starting your senior year of high school. The yearbook deadline will sneak up on you, trust us! Most schools require that the yearbook photo be submitted in the fall of your senior year. Take advantage of our discounted sessions by scheduling early!

HOW MANY OUTFITS CAN I BRING?

Seniors today want a variety of poses and backgrounds, but mostly they want their senior portraits to reflect their style and personality. That's why we offer several different options so that you can select the one or ones that suit you best! Check out our different sessions in this brochure.

HOW DO I SCHEDULE?

Before calling to schedule your appointment, please know which sessions from this brochure you would like so that we know how much time to allow in our schedule. Most seniors choose several clothing changes for maximum variety. Give us a call at (412) 854-1414 to schedule your appointment. We accept cash, checks, MasterCard, Visa, and Discover.

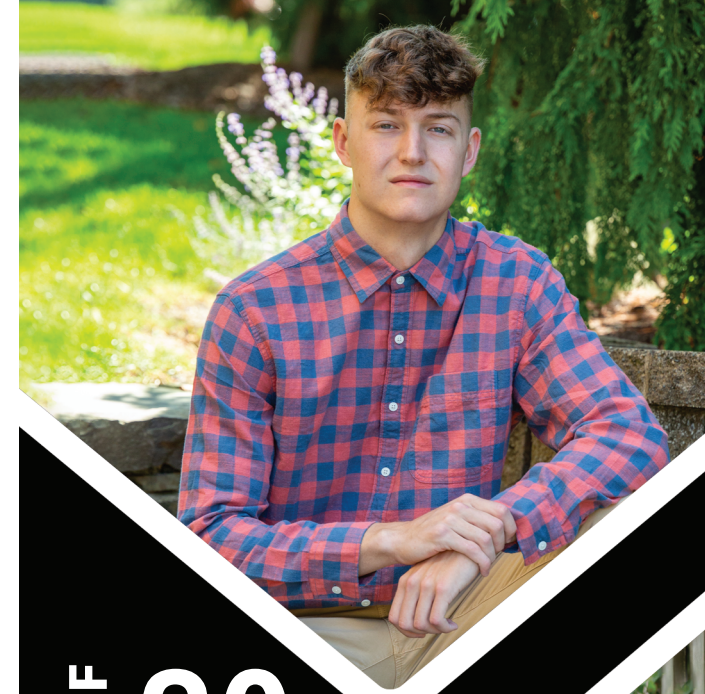

HOW MUCH DOES IT COST TO BE PHOTOGRAPHED?

Sessions are based on the amount of time and the number of outfits you decide to bring. Another factor is whether you would like to go on location for your senior portraits. Check out our different session options in this brochure. All sessions, except for the yearbook session, require a security deposit at the time of scheduling your appointment. This deposit will allow you to take your proof booklet home with you to select what you would like to order. No further payment is due until your order appointment. At the time of placing your order, the security deposit is fully applied to your order invoice.

HOW MUCH DOES IT COST TO ORDER A PACKAGE?

Our clients tell us they like what we do because we have no minimum orders, no size requirements, and no sales pressure of any kind. We offer a variety of packages.
