CIHS / Honors Accounting II 2026 Summer Work
Instructions

Congratulations on choosing to take College In High School Accounting II or Honors Accounting II for the 2026-2027 school year! You will have the opportunity to earn 3 college credits through Duquesne University by completing the CIHS course. You have the foundations from Accounting I to do very well in one of these next courses.

In order to keep your Accounting skills sharp, there are a series of review problems for you to complete this summer. You can use your notes from Accounting I and the textbook to help you complete these problems. You cannot use artificial intelligence or any accounting answer sites to complete the work. This is considered cheating and violates the school student code of conduct. The summer work is for your benefit so please consider this as you complete the work. I am also available for questions via email up until 3 days before each due date. Please do not send me an email the day before the assignment is due saying "you do not know where to begin".

Each assignment should take you no more than 3 hours to complete. READ every instruction to ensure that you complete all of the work and earn the most points possible.

CIHS will complete all assignments. Honors Accounting II will complete Assignments 2 thru 4 below. Due dates are as follows:

1. **Due - June 30, 2026 - Review Chapter 5** - Reconciling a Bank Statement; Journalizing a Bank Service Charge, a Dishonored Check, and Petty Cash Transactions
2. **Due - July 31, 2026 - Review Chapter 6** - Completing a Work Sheet; Journalizing and Posting Adjusting Entries
3. **Due - August 20, 2026 - Review Chapter 7** - Preparing Financial Statements with a *Net Loss (NOT NET INCOME)*
4. **Due - August 26, 2026 - Review Chapter 10 Steps 1-4 only** - Journalizing Sales and Cash Receipts Transactions (the remainder of the assignment will be completed in class the first week)

The points earned on these assignments will be part of your quarter one grade.

You will take photos of your work and turn those into the CIHS Google Classroom. The Google Classroom code was provided by Mrs. Decker. Please email her if you do not have it.

Please email me if you do not understand any of these instructions! You will do great!!!
